

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 14-2284

ERIC EMANUEL TAYLOR,

Plaintiff - Appellant,

v.

ARENDA L. WRIGHT ALLEN,

Defendant - Appellee.

Appeal from the United States District Court for the Eastern District of Virginia, at Norfolk. Mark S. Davis, District Judge. (2:14-cv-00576-MSD-TEM)

Submitted: March 12, 2015

Decided: March 16, 2015

Before GREGORY, DIAZ, and HARRIS, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Eric Emanuel Taylor, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Eric Emanuel Taylor appeals the district court's order dismissing without prejudice his 42 U.S.C. § 1983 (2012) complaint against a district court judge for failure to state a claim. On appeal, we confine our review to the issues raised in the Appellant's brief. See 4th Cir. R. 34(b). Because Taylor does not in his informal brief challenge the basis for the district court's disposition, he has forfeited appellate review of the court's order. Accordingly, we affirm the district court's judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
